Oil Free Air Compressors
low noise, high quality

PT5

Bambi has used our experience in nearly 40 years of manufacturing air compressors to bring you the new PT range of direct drive air compressors. With ultra low noise, from only 54 dB(A) and 100% oil free operation, the PT range delivers a low maintenance solution to ultra-quiet oil free compressed air. Compressors are available in a choice of receiver and pump formats to ensure that the one chosen is perfectly adapted to the application.
